We encourage Vanavasis to come to Vana in multiples of weeks. This allows us to plan your retreat better and you to establish a more defined objective and ascertain clearer goals.

YOUR RETREAT AT VANA INCLUDES

- Treatments/consultations/private sessions based on two wellness weights per night per guest.
- Arrival and departure wellness consultations.
- Retreat activities focused on wellness, cuisine, music etc.
- All cuisine including breakfast, lunch, dinner and beverages (except wine and residence dining delivery).
- Airport transfers from Jolly Grant airport, Dehradun.
- All taxes. No service charge or gratuities are added and our team members do not expect tips as appreciation for their work.

Each of our treatments, consultations and private sessions has a value in wellness weights, mostly between 1 and 2. While all retreats can be crafted based on the two wellness weights per night included, guests can take à la carte wellness weights in addition. These might also be recommended by our wellness team to derive better results from your retreat.

We provide all our guests with comfortable kurta pajamas to wear at the Retreat as well as footwear. This includes woollen capes during winter months.
